A SUMMER OF IMPACT

SPORTS PROGRAMS:

Building more than athletes. Through every practice and game, members develop confidence, teamwork, leadership, discipline, and perseverance that extend far beyond the field and court.

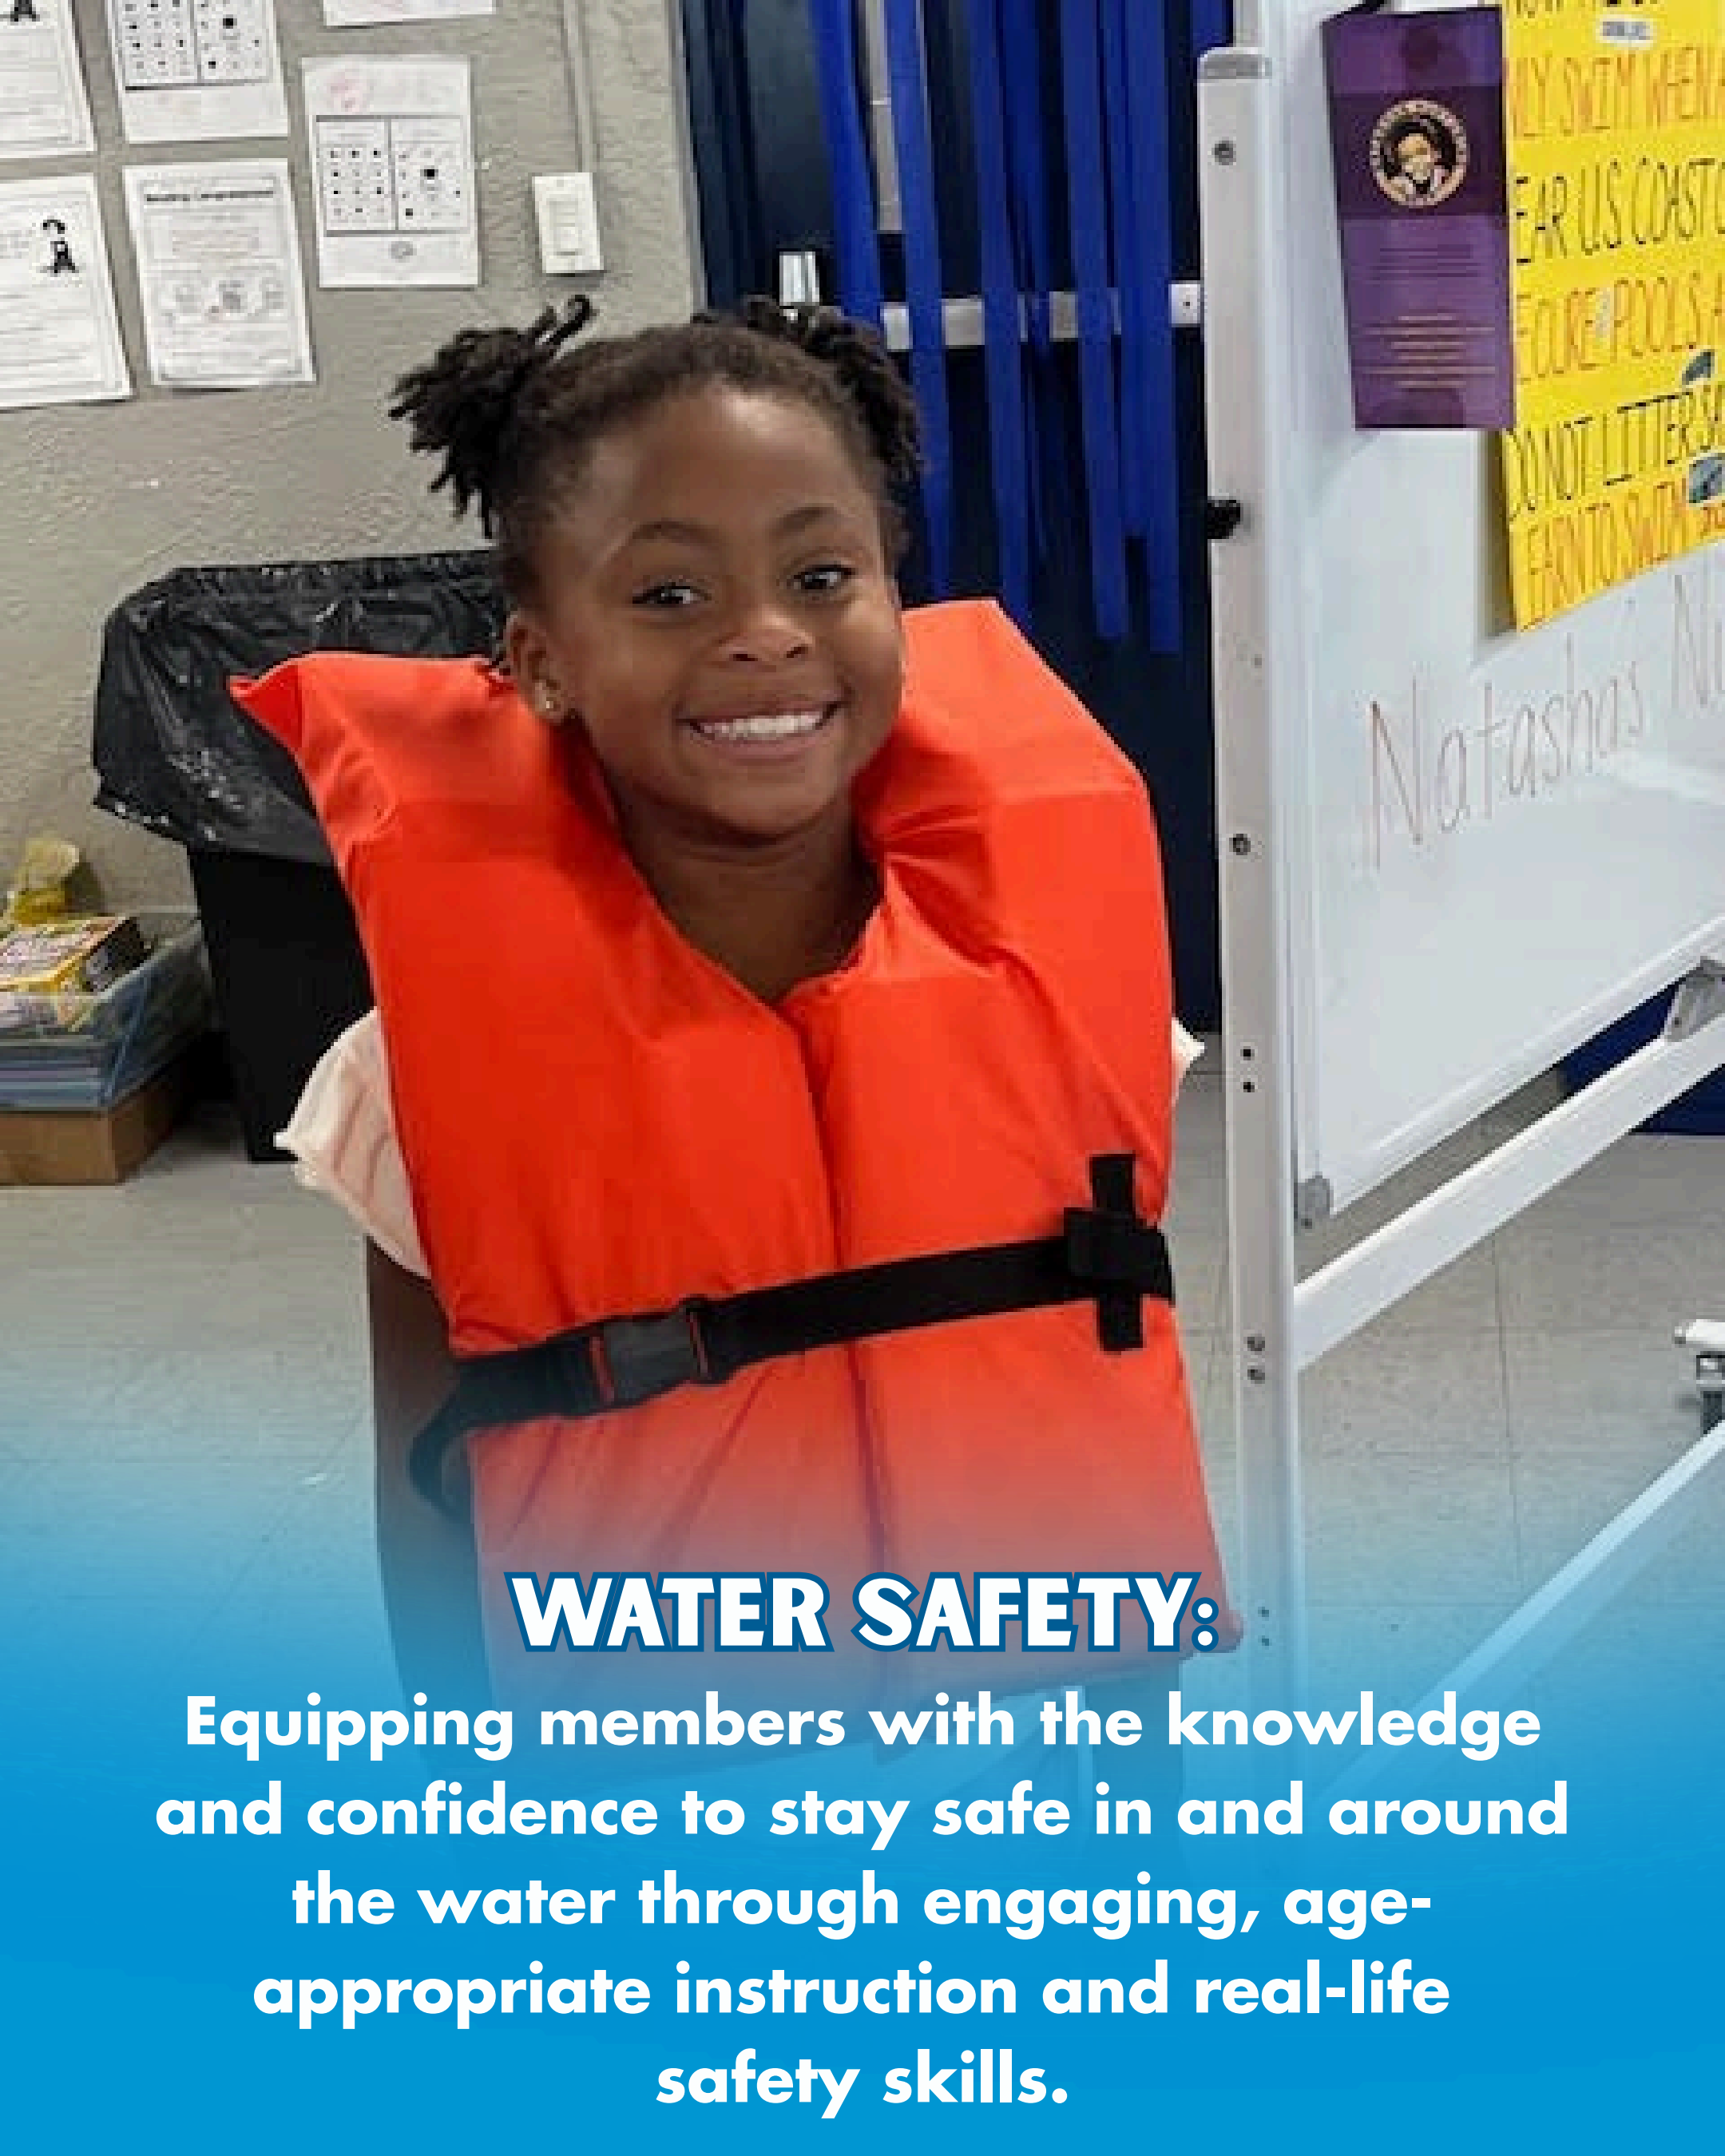

BRAINY BOTS:

Hands-on robotics and coding activities inspire creativity, problem-solving, and teamwork while introducing members to the exciting world of STEM.

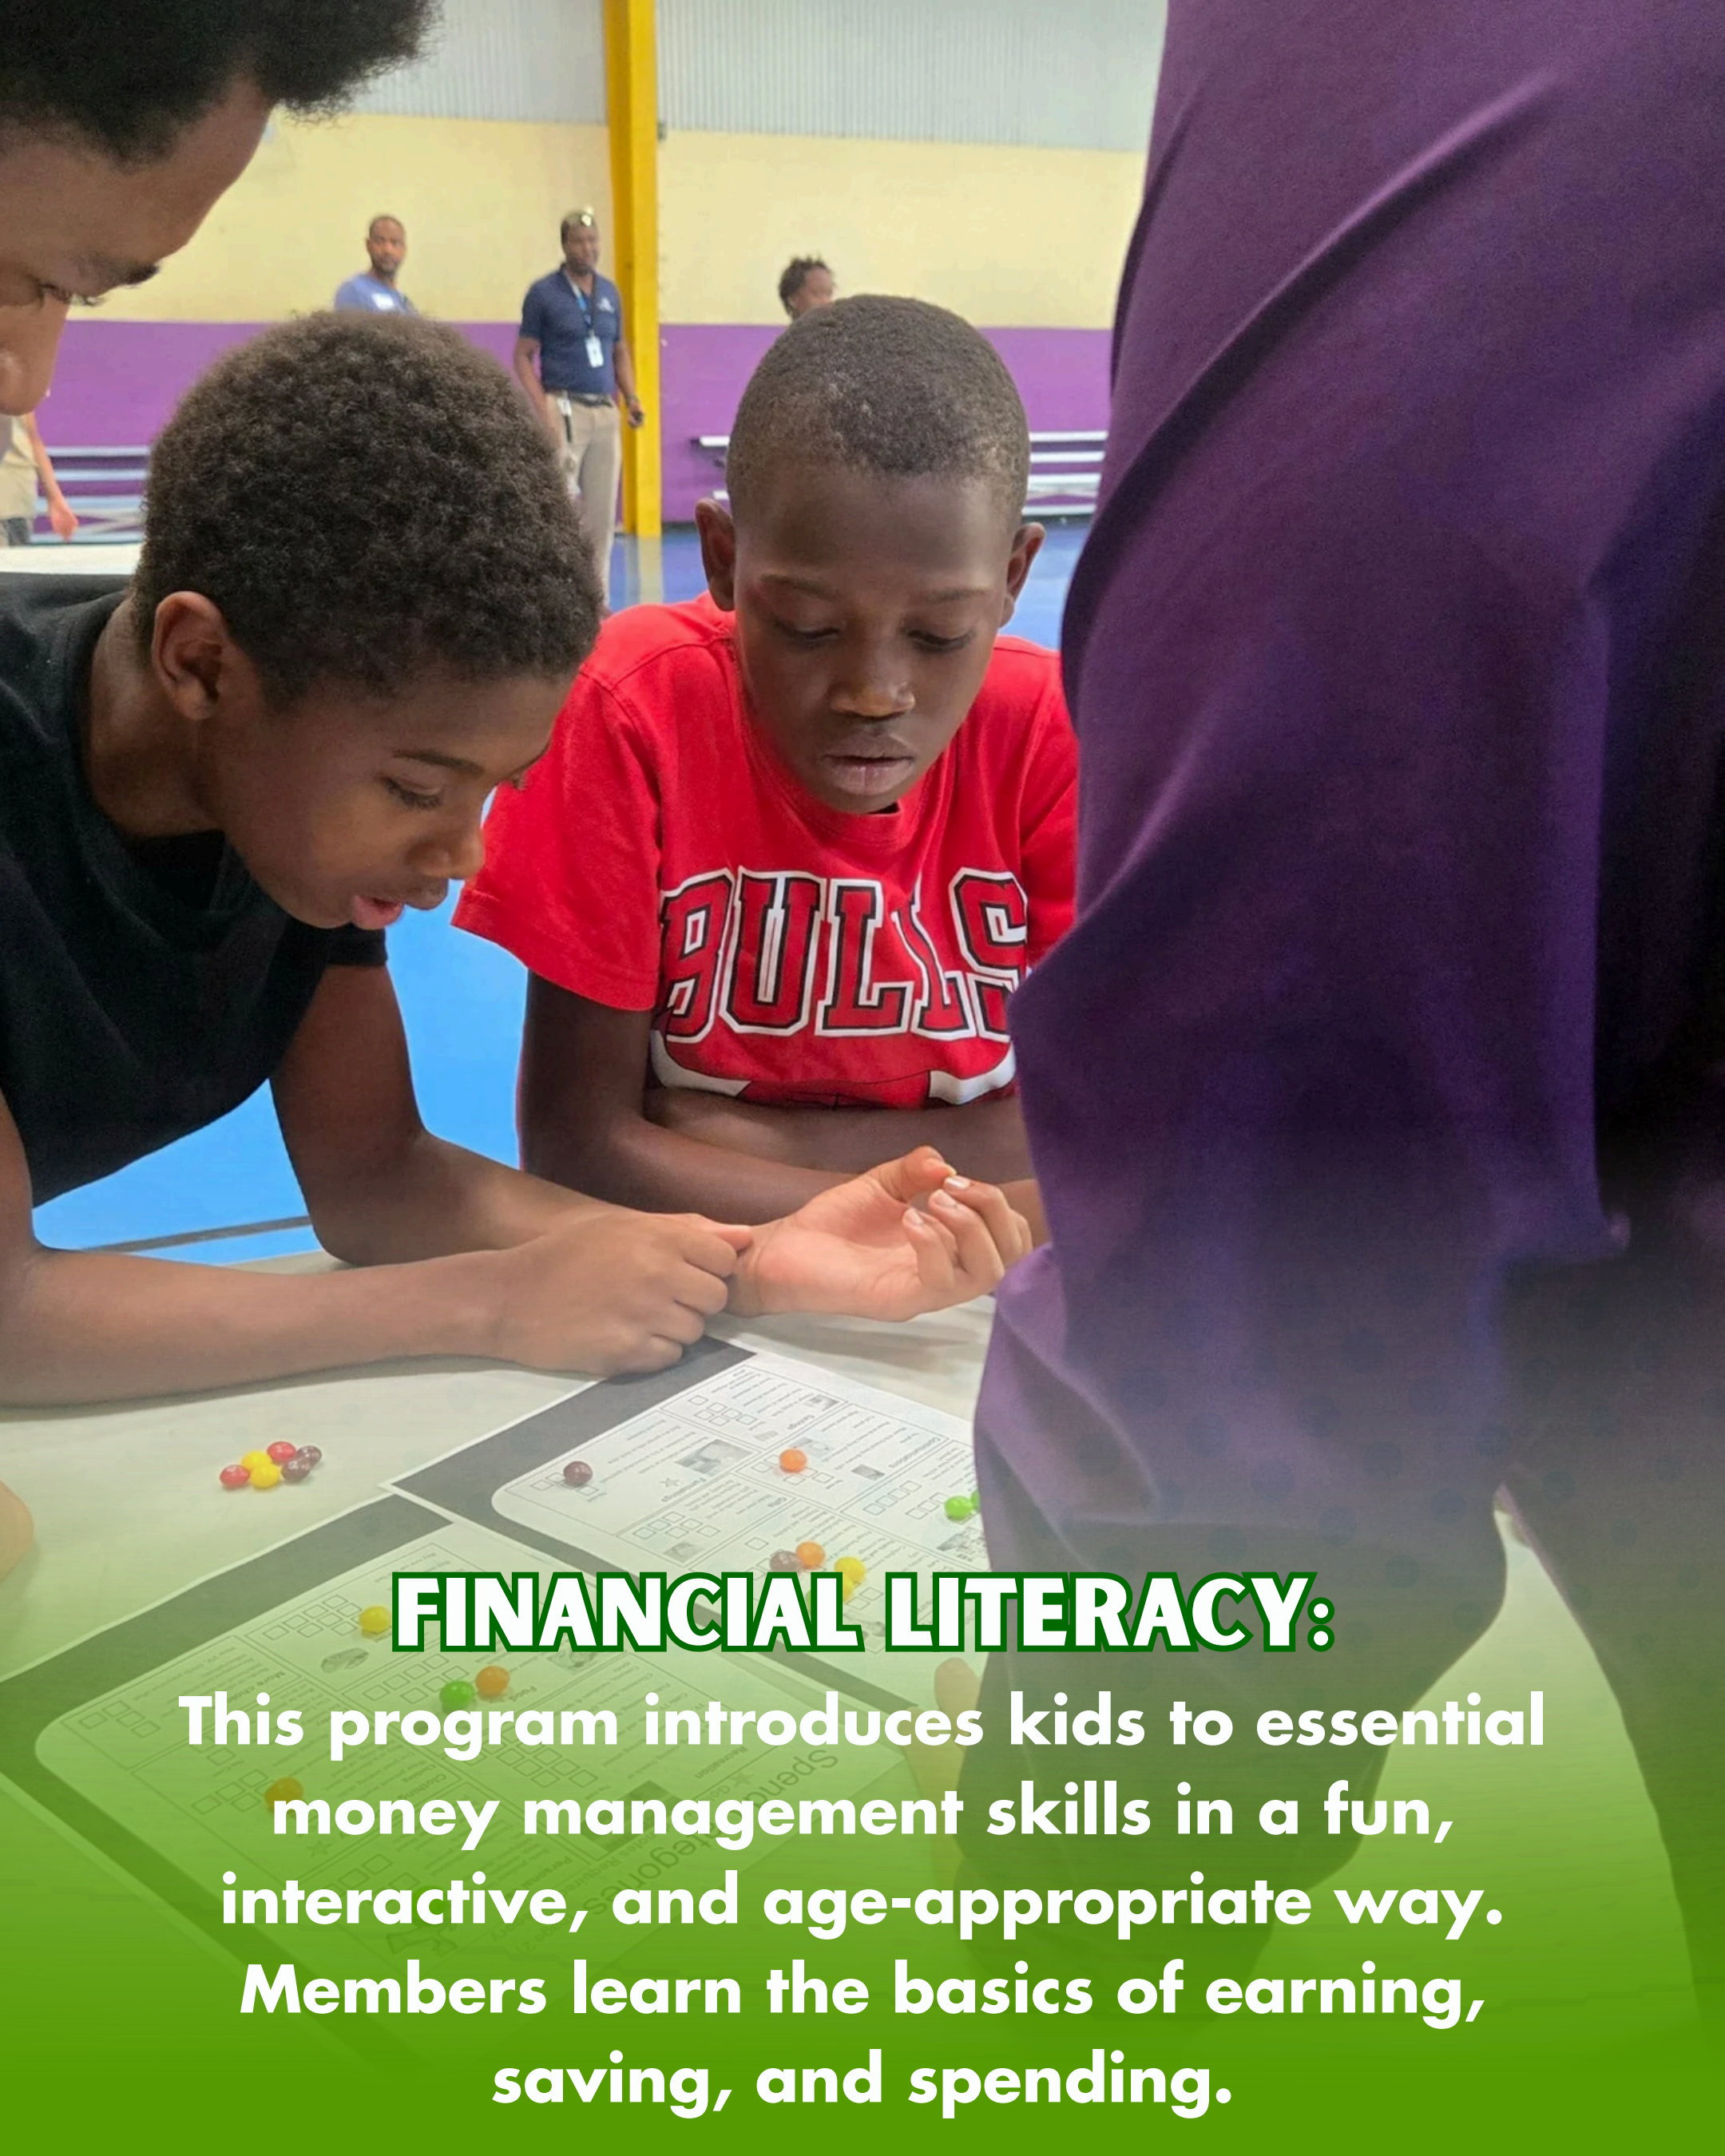

BRICKS 4 KIDZ:

Using LEGO®-based challenges, members explore science, technology, engineering, and math while developing critical thinking, creativity, and collaboration.

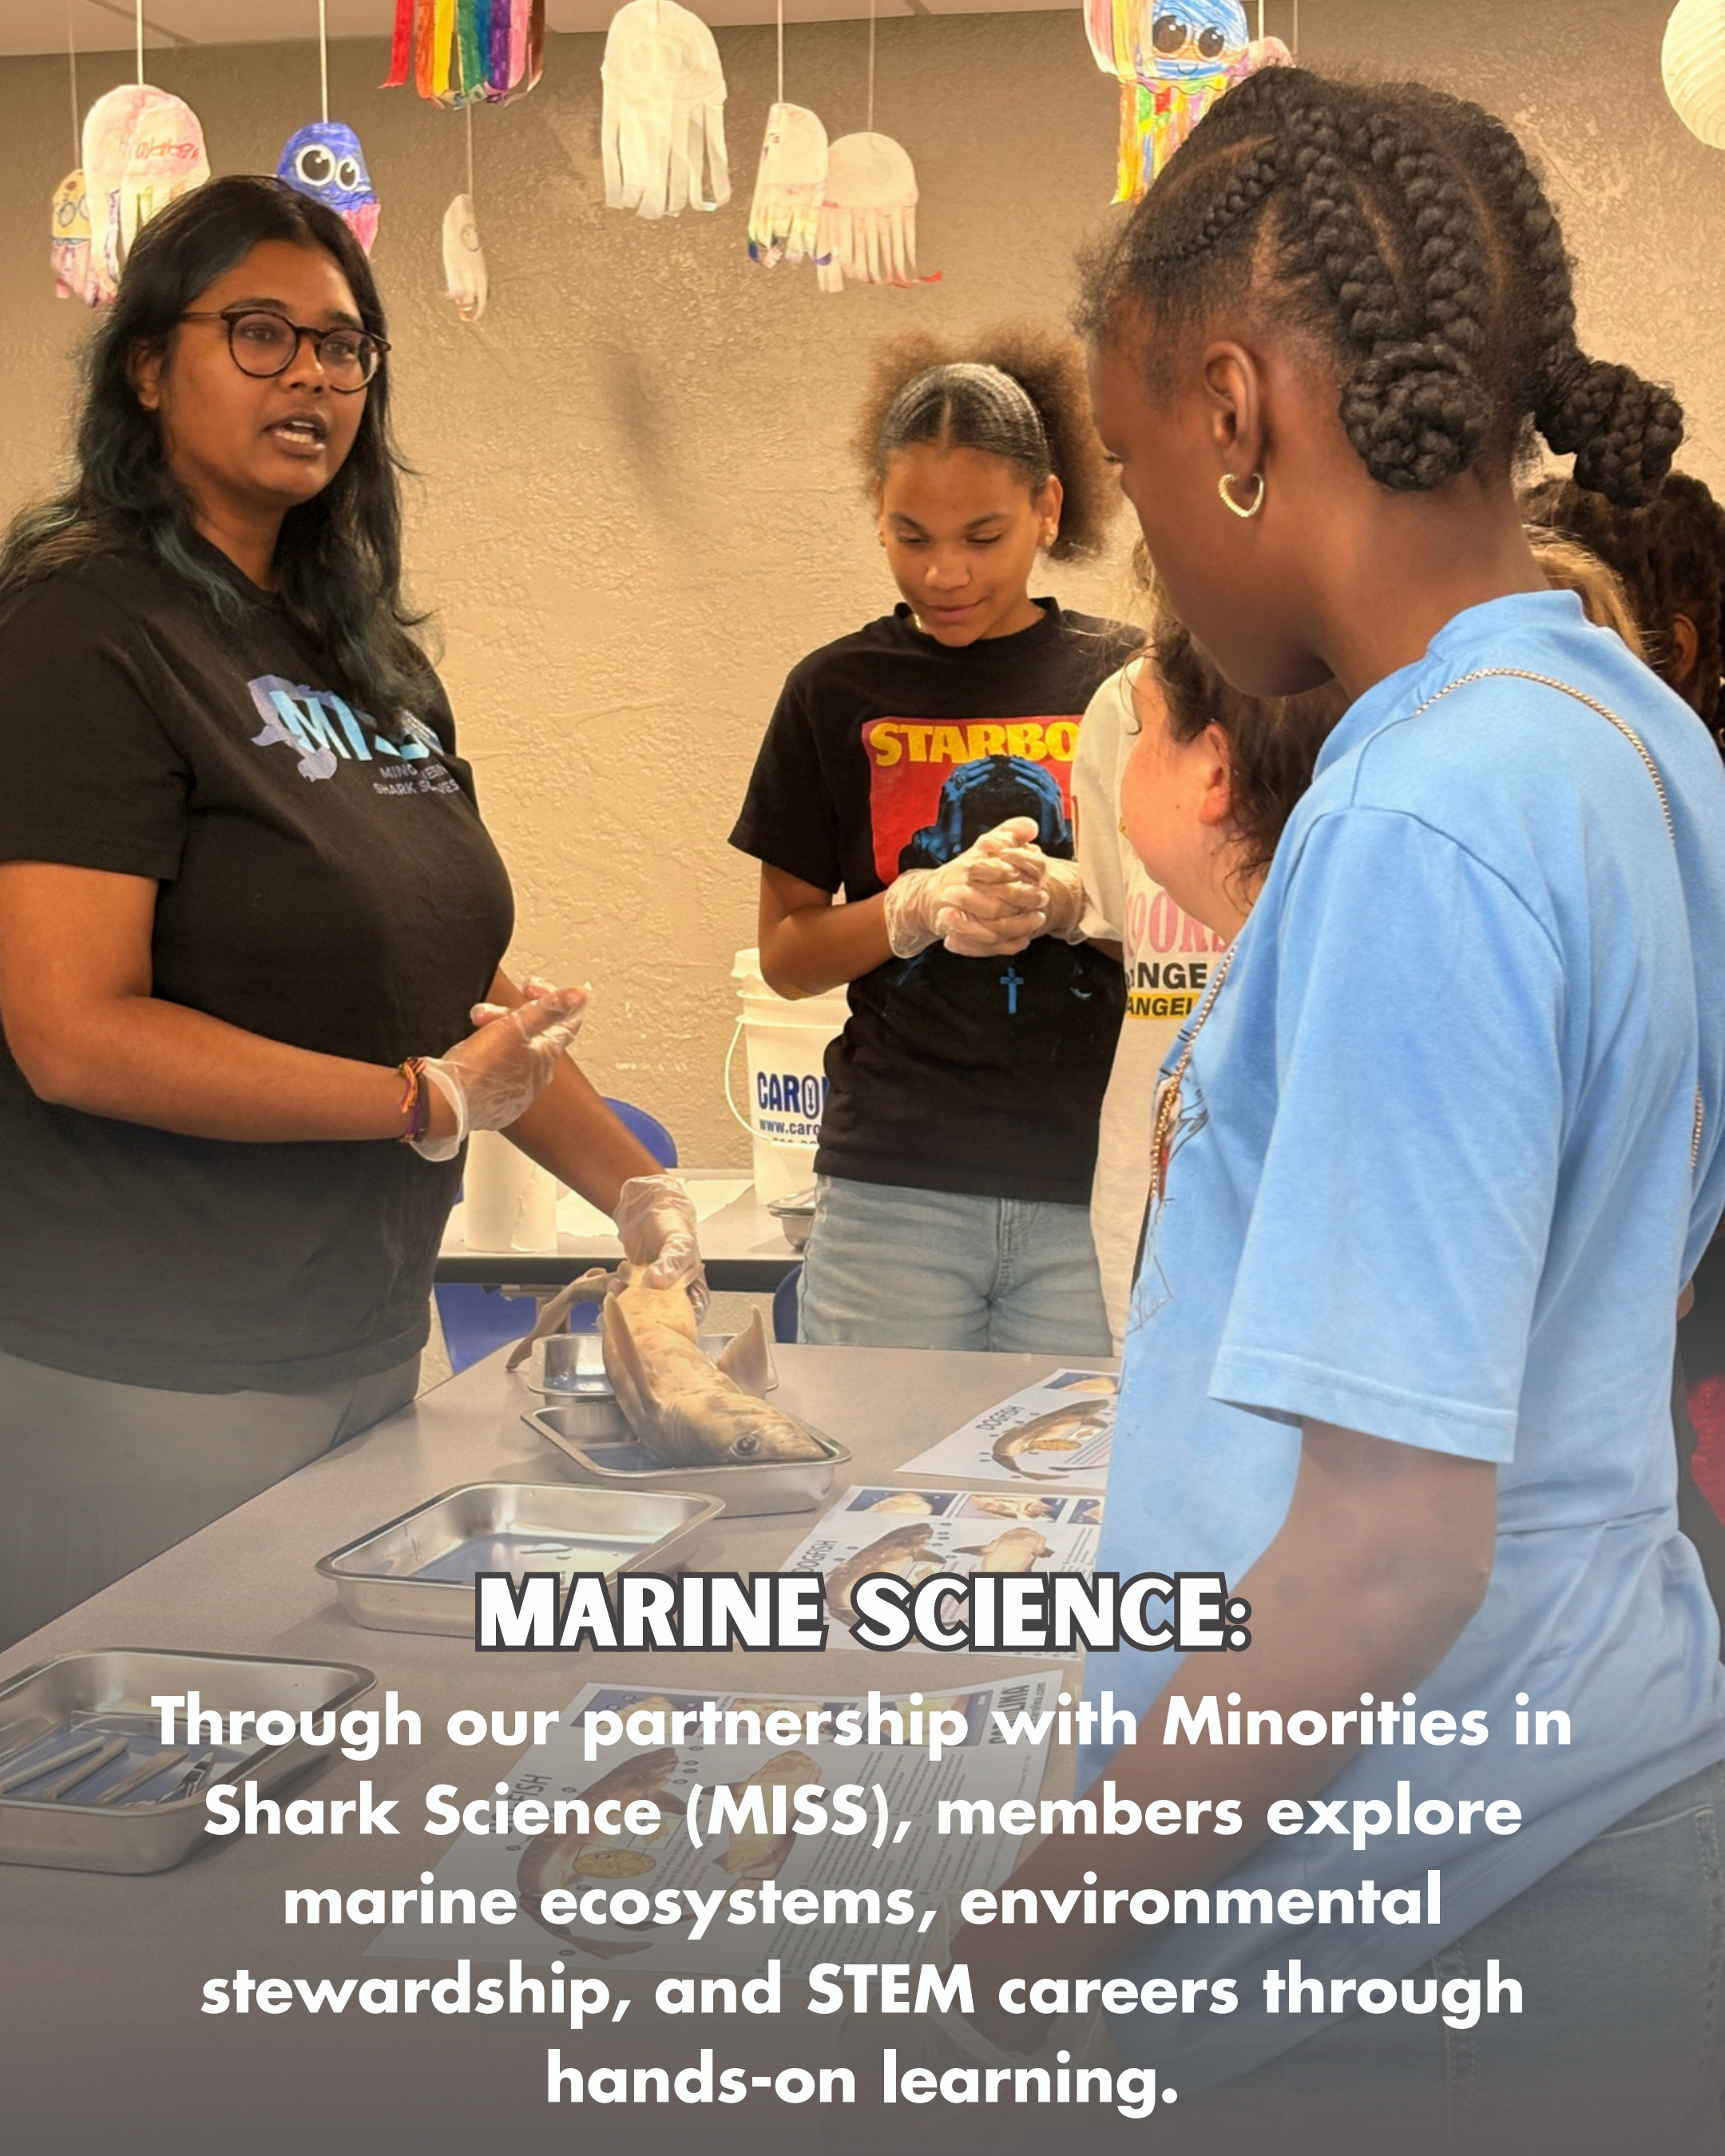

WATER SAFETY:

Equipping members with the knowledge and confidence to stay safe in and around the water through engaging, age-appropriate instruction and real-life safety skills.

FINANCIAL LITERACY:

This program introduces kids to essential money management skills in a fun, interactive, and age-appropriate way. Members learn the basics of earning, saving, and spending.

MARINE SCIENCE:

Through our partnership with Minorities in Shark Science (MISS), members explore marine ecosystems, environmental stewardship, and STEM careers through hands-on learning.
